

“19th & 20th Face Off Field Trips”  
Presented By  
Belhaven University

The Mississippi RiverKings hockey team proudly announces the **19<sup>th</sup> and 20<sup>th</sup> RiverKings “Face Off Field Trips” presented by Belhaven University** to be held on **Tuesday, December 13, 2016 and Tuesday, January 24, 2016** at the Landers Center, and we extend a special invitation to your class to attend.

Each Face Off Field Trip consists of a regular-season game, with the RiverKings facing the Evansville Thunderbolts on December 13 and the Knoxville Ice Bears on January 24. **The games will begin at 10:30 a.m., with doors opening at 9 a.m. The event will run to approximately 1:00 p.m.**

The Face Off Field Trip will be filled with educational elements throughout the event. Each child in attendance will receive an educational workbook. During breaks in the action, the students will be instructed to use their workbooks to help build their knowledge of subjects such as math, science, geography, and physical education using fun hockey references.

This year’s workbook will include content from grades K-8. It will be the same for each trip so your school can attend the game that best fits your schedule!

This year’s workbooks have been influenced by Common Core Standards to ensure the material fits in line with classroom lessons, allowing teachers to use the workbooks inside the classroom to supplement daily lessons.

The Landers Center will allow your classroom to bring in sack lunches and eat while the game is underway. Concessions will also be available for those children without sack lunches. **Absolutely NO outside vendors may enter the arena per Landers Center Management.**

Admission to the Face Off Field Trip is either **\$5 per student with \$3 of every ticket benefiting your school or \$13 per student with \$3 benefiting your school and each child receiving a commemorative t-shirt. Teachers and chaperones attending are free.** Reservations are processed on a **first-come, first-served basis**. Your seat location will be chosen for you based on the section that has the amount of seats most closely matching the number of persons in your group.
